School .....

Biology 4BI1 and Chemistry 4CH1 - Summer 2027

Date	Paper	Code	Session	Length	Weight	My start time	Done
Tue 11 May	Biology Paper 1	4BI1 1B (1BR)	Morning	2h	61.1%		
Tue 18 May	Chemistry Paper 1	4CH1 1C (1CR)	**Afternoon**	2h	61.1%		
Thu 10 Jun	Biology Paper 2	4BI1 2B (2BR)	Morning	1h 15m	38.9%		
Tue 15 Jun	Chemistry Paper 2	4CH1 2C (2CR)	Morning	1h 15m	38.9%		

Chemistry Paper 1C is the only afternoon paper. Write the session on every date. Regional R papers (1BR, 2BR, 1CR, 2CR) sit on the same days and in the same sessions.

What each paper tests. Paper 1 (110 marks): core content, no bold 'B' or 'C' statements. Paper 2 (70 marks): all content, including the bold statements.

Start times. International centres use Pearson's start time for their region; schools may move it by up to 30 minutes. Ask your exams officer.

186 days to Biology Paper 1: the mock calendar

Now - Dec	1st week Jan	End Feb	March	April	Last 2 days
Finish content. Practise graphs, tables and calculations from the practicals.	Mock 1: 50-60% of the specification, full exam conditions.	Mock 2: whole specification. Past papers by topic.	Mocks 3-5: one a week, Paper 1 and Paper 2. Mark the same day.	Mocks 6-7: full papers, then stop.	No mocks. Sleep, check sessions, check codes.

Gaps between papers	**Biology** Paper 1 to Paper 2: 30 days	**Chemistry** Paper 1 to Paper 2: 28 days	**Use the gap** Final pass on the bold statements: only Paper 2 tests them.

Results: Pearson has not yet published the Summer 2027 International GCSE results date. June 2026 results went to students on 20 August 2026.
